

IHT Forms

Where the IHT400 pulls information from within Troika

Overview

The IHT400 form pulls information in from Troika, predominantly entered under two menu options, **Estate Details – Edit**, and **Load Data**. This document confirms each and every field within the current full IHT400 integrated form, and exactly where the information comes from within Troika. This will assist in the event of query.

IHT400 – Inheritance Tax Account (version HMRC 03/23)
